

Dear Sir/Madam,

In response to many requests from eGranary users all around Nigeria, WiderNet is pleased to invite you to our 2017 eGranary Academy, August 14-18 at the Gusau Institute in Kaduna.

Whether you currently use an eGranary or are considering installing one soon, this will be the definitive way for you and your staff to master the eGranary, create local Web sites, manipulate and create graphics, and design digital courses.

#### TRAINING PROGRAM DETAILS

Over five days, attendees will have the opportunity to learn about the best practices and lessons drawn from universities throughout the world. The workshops include:

- Mastering Digital Information (Web 1.0)
- Creating Digital Information (Web 2.0)
- Creating Course Syllabi
- The Power of the INTRAnet

The cost for this five-day conference is N200,000, which includes snacks, refreshments, handouts, and lunch at the training site. Each participant will also receive a USB key loaded with free software and thousands of technical training resources, as well as be eligible to win raffle prizes from WiderNet, University of North Carolina at Chapel Hill, and Lenovo.

Participants will also receive a Certificate of Completion from WiderNet and WiderNet@UNC.

WiderNet trainings are highly popular and well-reviewed. Seating is limited, so apply early!
