Objectives

Why Attend?

Whether you currently use an eGranary or are considering installing one soon, this will be the definitive way for you and your staff to master the eGranary, create local Web sites, manipulate and create graphics, and designing digital courses.

Who Should Attend?

This program is suitable for librarians, educators, course designers, advanced students, executives and policy makers.

What to Expect?

Lots of hands-on exercises (bring your laptop), multiple presenters, interactive sessions, plenty of time to network with colleagues, surprises...

Venue and Pricing

The Gusau Institute, Kaduna
