Your feedback will help us improve the GDRL

Three ways to participate

- **Accessibility Survey**

Are you a person with disabilities? Have you used the eGranary Digital Library? Help us make it more accessible!

- **Portal Evaluation**

Have you used any of the information portals inside the eGranary? Choose an eGranary portal on which you want to share feedback and visit the survey. To evaluate another portal, just refresh the survey and complete it again!

- **User Survey**

Have you used the eGranary? This survey helps us learn more about the kind of people who use the eGranary and how much prior experience they have with using computers.

You can find all three surveys at our website:
