

How accessible is the eGranary?

Are you a person with disabilities?

Have you used the eGranary Digital Library?

Your feedback can help!

You can make the eGranary more usable for other users with disabilities

Including...

People who cannot read print

People who can see but need things to look larger

People with difficulties using a normal computer mouse

People with difficulties using a standard keyboard

People who need more time to learn new things or

People who need simpler language

TAKE THE SURVEY

And make the eGranary more accessible for everyone!
